

OPPORTUNITY TO SHARE BEST PRACTICES OF YOUR COMPANY

Keeping in line with its vision of transforming the society by facilitating excellence in management practices & technology and mission of facilitating individuals & organizations to realize their potential towards developing global competitiveness, Ghaziabad Management Association is conducting a competition among Industries located in Ghaziabad to present their Best practices in order to benefit other members and non members to drive excellence in whatever business they are in.

GMA is planning to organize two such events / competitions - One among Industries and another among Educational Institutions both in Engineering & Management area.

With the same objective, GMA is organizing the competition among industries on:

"The Best Practices on Processes of Improvement for Sustainability". This will be in three categories viz. Manufacturing process, Quality Initiatives, & ESG.

The suggestive areas for presentation of the Best Practices are:

Manufacturing Process: Productivity improvement, TPM, Kaizen, 5S, AI Applications in Manufacturing and process control

Quality Initiatives: Zero Defects, Six sigma, TQM, Design of Experiment (DOE), Quality Improvement Projects

ESG (Environmental, Social, Governance): Energy saving & Conservation, Waste Reduction, Maintenance Excellence, CSR initiatives, Green Manufacturing and Sustainable Operations

Any other topic in above three categories which you find deem fit with the theme of competition and would like to share with other companies and members.

NOTE: For the purposes of making the competition more meaningful and useful for all, the Preferred Format of presentation is through ppt/videos/ pictorial or flow chart.

Every team will be given 15 min for presentation and 10 min for Q&A.

THE AWARD WILL BE GIVEN TO THREE WINNERS FOR THE BEST PRACTICES.

Industries interested in participating in the competition, are required to send their entries with an abstract of about 250 to 300 words highlighting the following to GMA:

- Category of Industry say Manufacturing or Service oriented
